In 1968, a group of caring individuals recognized that bad things can happen to good people so they started a food pantry. The St. Frederick’s Catholic Church (currently named Nativity of the Lord) gave the group permission to house the food pantry in a small room in the lower level of the church. We have since grown and currently use almost the entire lower level. Shortly after our inception the other churches in the area joined in to support the pantry.

Project Concern has developed and changed to meet the needs of the community and the people who need our help.

An open house was held April 7th where the pantry received a resolution of congratulating Project Concern of 50 years of service. If you want to learn more about Project Concern please visit us during pantry hours, or visit our website or Facebook page.

Santa’s Elves Needed!

Some children have no gifts to open on Christmas. Help Santa reach those children this holiday season by sponsoring a child or two. Sign up as Santa’s Helper by email at pcstaff@hotmail.com, stop by the pantry, or call us at 414-744-0645. The gift price range is $25-$30 per child. Put a smile on a little one’s face and enjoy the gift of giving.

CHILDREN’S HOLIDAY GIFT ASSISTANCE PROGRAM

The holiday season can be a time of happiness and of celebration. However, the holidays can be stressful for parents having a hard time providing their child(ren) with holiday gifts.

Project Concern is here to help. Families may sign up with our pantry for holiday gift assistance until mid-November. Registration forms are available at the pantry or on our website.

**Dropping off Donations?**

Project Concern welcomes your donations of gently used clothing, household items, toys, books and bedding. The pantry appreciates your donation. Please keep in mind we do not accept mattresses, large pieces of furniture, items that are broken, missing pieces, stained, torn or containing hazardous materials.

Please only drop off donations when our facility is open. Items left outside can be damaged by the weather and pose a hazard to anyone trying to get in or out of the building.

**MyPlate—Healthy & Tasty**

Project Concern’s main supplier of food, Hunger Task Force, has designated us a MyPlate Pantry. This means that we try to provide more fruits, vegetables and low-salt and sugar foods. The USDA recommends we all eat 5 servings of fruits and vegetables each day and switch to whole grains. They also recommend we reduce highly processed foods like boxed Mac & Cheese and SpaghettiO’s. So when shopping for yourself or for donating to the food pantry think healthy and tasty. Let’s all eat heathier. And if you want to know more about MyPlate, Project Concern would be happy to share the information we have.

**Double Check Prices**

What grocery aisle products are placed in might determine their price. Cheese in the deli or the gourmet section of the store might cost up to twice as much as block cheese in the dairy case and likely will not be any better. Nuts in the baking aisle could be cheaper than those in the snack aisle. Likewise salsa prices might be lower in the condiment section vs. the section near the chips.
