Community Cares News, is a joint newsletter for Project Concern the emergency food pantry that serves both communities and Cudahy-St. Francis Interfaith Program for the Elderly.

HELP STAMP OUT HUNGER!

Be a part of the nation’s largest food drive. Stamp Out Hunger, a letter carrier food drive is Saturday, May 10th. There are 3 ways to help.

1) Leave nonperishable food items near your mailbox box to be picked up on Sat. May 10th.
2) Help collect food from letter carriers in Cudahy between 9 am and 5 pm.
3) Help sort donations as they come into the food pantry between 11 am and 5 pm.

Help for an hour or two or the whole day to work with your neighbors and friends to STAMP OUT HUNGER. If you are interested in volunteering, please contact us at 744-0645 or projconcern@msn.com.

Last year Project Concern collected about 7 tons of food through Stamp Out Hunger. An impressive amount of food, but the food only lasted for 3 months to supplement the 10 tons of food given by Hunger Task Force each month.

We thank Hunger Task Force for supplying Project Concern with food and for also inspecting our pantry and providing training, to ensure that we are living up to their standards of excellence.

PROJECT CONCERN RECEIVES GRANT

The Catholic Community Foundation graciously awarded a grant in the amount of $5,000 to Project Concern. This grant will help support our emergency food pantry. A HUGE thank you to the Foundation.

ISLANDS OF MILWAUKEE...

is a multi-year participatory arts project aimed at creating a more connected Milwaukee as we age. It aims to bring meaningful, creative engagement to older adults living alone or under-connected to community.

The project is in collaboration with Sojourn Theatre, and several community organizations (Milwaukee Co. Dept on Aging, Interfaith Older Adult Programs, Stowell Associates, Goodwill Industries, WUWM’s Lake Effect, Doors Open Milwaukee, and the SouthShore Connecting Caring Community).

Retreating from the public space of the street contributes to isolation as we age. This spring, Islands will produce original street performances that aims to create new relationships between drivers and pedestrians. Performances will be held the first weekend in May at a local intersection near you. For more info visit www.islandsofmilwaukee.org

As a collaborating partner to this project the South Shore Connecting Caring Community (SSCCC) group would like to encourage all community members to join the SSCCC in their efforts to make a more walkable community. Contact Debby Pizur at CSFI Program for the Elderly at 414-483-4474 or csfinterfaith@hotmail.com on how to join.

Walking is a healthy and enjoyable way to get more out of life - Watch Out!

Drive and walk safely.

WANT TO BE HEALTHIER & HAPPIER? Volunteer! With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering are enormous. Obviously, volunteers positively impact the quality of life in our community and ensure our organizations are able to serve our neighbors in need. However, volunteering is a two-way street and can benefit you. Dedicating your time as a volunteer helps you make new friends, learn a new skill, and can be a lot of fun. Studies have shown people that volunteer are healthier and happier than those that don’t. Here our some of our volunteer opportunities:

- Deliver food to homebound Seniors.
- Drive Seniors to appointments.
- Help with or hold a fundraising event.
- Hold a food, clothing, or personal care item drive.
- Research and request donation.
- Picking up donations or run errands.
- Work in the office of either organization.

Volunteer forms are available on our websites and at our offices. Contact either Project Concern or CSFI Program for the Elderly today.

SENIOR TIPS FOR MANAGING BOREDOM

Seniors too often spend their leisure bemoaning the passage of time. The happy truth is getting older does not need to be boring.

1. Celebrate the many things you can do.
2. Recognize the things you can no longer do or afford and let them go.
3. Plan activities for tomorrow. Plan 2 or 3 activities or ideas you would like to do and write them on your calendar for tomorrow.
4. Actively seek out people with whom you can share your activities. Search your church, civic group or senior citizen center. Do not limit yourself to other seniors.
5. Work hard at saying YES even when you are feeling down and really want to answer no.

Keeping these 5 tips in mind, seniors can remember that life can be fun and enjoyable. As seniors, it is important not to consider what used to be but rather to concentrate on the wonderful life we still have before us and enjoy every minute.
